

CITY

/Design Pierre Renfer/

Designed in the year 1964 to save space and to be easily stackable, CITY became the porcelain for the daily use in hospitals and canteens. Even today, CITY sets standards in these surroundings. Its clean and modern lines resulting from the practical aspect, have allowed CITY to develop into a design classic of recent years.

PLATE FLAT

- CIT 2117 | 163 mm |
- CIT 2120 | 199 mm |
- CIT 2124 | 240 mm |
