UNIQUE FEATURES

Mix 'n Chill®

One-Hand Activation - To start the motor, put the filled cup under the mixing shaft and push.

Performance - 3/4 Hp motor provides heavy-duty mixing action.

Easy To Clean - Stainless steel pan removes easily without the use of tools and is dishwasher safe.

Consistent Results - Preprogrammed cycles deliver consistent mixing results regardless of the operator.

User Friendly - Contoured splash shield reduces discomfort on the operator's wrist and easily removes for cleaning.

Dependability - Ice cream companies and restaurateurs worldwide consider this drink mixer the standard because of its dependable performance.

Stainless steel pan is easily removed for easy cleanup

Smart Start™
A simple press of the mixing shaft starts the motor

929 agitator maximizes mixing performance for hard- and soft-serve ice cream and is especially good for candy mix-ins

See page 45 for additional agitator choices

*Meets IPX3 moisture protection with added hood
